THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI E. Both sides expressed satisfaction at the ceasefire currently in place since November 2003 and agreed to its continuation. The two Defence Secretaries agreed to continue with their discussions to resolve the Siachen issue in a peaceful manner.

India's position on the Siachen issue is that authentication of the presently held positions has to be the first step before any redeployment of troops is considered.

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI E. AHAMMED): (a) to (c) There has been a reduction in infiltration across the border since the start of the peace process. Pakistan has, however, so far not taken any significant action to dismantle the infrastructure of support to terrorism.

Government is monitoring the situation very closely, and has made it clear to Pakistan that the premise on which the present dialogue process is based is the commitment of January 6, 2004 by Pakistan not to permit any territory under Pakistan's control to be used to support terrorism in any manner. In the Joint Statement made during the visit of President Musharraf on April 18, 2005, both countries reaffirmed, *inter alia*, the commitments made in the Joint Press Statement of January 6, 2004.
